

# EmpowerHER: Dressing Women with Confidence

A Community Sponsorship Program by Mauve Shoppe Boutique

At Mauve Shoppe Boutique, we believe every woman deserves to feel confident and beautiful. Through our EmpowerHER program, local small businesses can sponsor a woman in need by donating \$50, which will provide her with a full outfit from our boutique.

By sponsoring a woman, your business will help uplift and empower someone in our community, giving her the confidence to take on life's challenges—whether it's a job interview, a special occasion, or simply a fresh start.

## HOW IT WORKS
